David was always the one in control, always the one to initiate sex. Well, tonight things were going to be different. I wore his favorite black satin teddy, that barely contained my DD's. When he got home from work, I was lying in wait. As soon as he got a look at me, we fell into each other's arms.

I dropped to my knees and peeled his pants down. Although I wanted to be the one in charge this time, I still wanted to suck his big cock and get fucked good and hard. I swallowed every inch of his thick tool until my lips hit his ball sack.

Once he was sufficiently pumped up I fell back into a chair and pulled his face down into my steaming snatch. His tongue felt wonderful as it snaked in between my swollen lips to spear my hot quim.

KNOCKER KNOTES

JADE JADORE 34DD-26-36

Height: 5'7" Weight: 130lbs Birthday: January 24

I reached around and took hold of his head to pull him in tighter. I squirmed against his 5 o'clock shadow for a few minutes before pushing him away.

I stood and bent over the chair. I didn't have to tell David what to do. He took hold of my hips and drove his steely cock deep into my hot cunt in one thrust. It took my breath away. Before I had a chance to think about it, he had pulled nearly all the way out and then slammed the entire length of his meaty poll back in. He picked up the pace and began hammering my cunt with all his might. On every stroke, his balls slapped against my clit sending sparks ricocheting through my loins. As my knees began to quiver, he flipped me over, so that I was lying on my back and placed the head of his fuck-missile to my love-pot. Again, he filled me in one smooth forceful stroke and proceeded to slam the shit out of me, until I was crying out from the overwhelming pleasure.

I could feel his cock swell up even more, before he pulled free of me. Taking a handful of my hair, he pulled me to my knees on the floor and slapped his throbbing dick between my tits. He squeezed them tightly around his shaft and after about two strokes began to unload a torrent of splooge directly into my open mouth. I swallowed mouthful after mouthful until he stopped shooting and then took his beautiful cock into my mouth to get every last drop. Sometimes it's good to take charge.

Foxxx on the Run

SHE IS A TRUE "NO HOLES BARRED" GIRL WHO LIVES FOR SEX. ALL HER DIRTY LITTLE SECRETS ARE X-POSED FOR YOU RIGHT HERE, EACH MONTH.

"Fuck me, fuck me, FUCK ME!!!" That's what I was screaming 5 minutes ago inside the club. I just had to come out to my rental car here in Vegas to write this experience down while it's still fresh in my mind, not to mention while my pussy is still throbbing!

It had been a very frustrating day for me, as I had spent all day directing a movie instead of performing. My cunt had been aching for some action. Directing *Big Dick's Road Trip 2* was a challenge I had been looking forward to. All those cocks plunging into pussies, splattering cum, gaping holes, had the juices flowing down my thighs all day. Although I like directing, I'd much prefer that it was my cunt getting slammed.

The day kicked off with a hot shower scene with cute little Katie Plays, and then we took off to go shoot at a different location with a very hot couple, Jocelyn Pink and Julian Ko Jaxxx. The scenes were super hot, and I was getting excited, but neither of the first two girls were very busty, so you can imagine my delight when the girls for the final two scenes showed up, and one was hot Latino Bianca James and her 36DDs. Bianca and Amy licked and fucked each other silly, and then added a dick to the mix - Big Dick Johnson himself (www.bigdicksroadtrips.com)! They had their way with the guy in one of the hottest threesomes I have ever witnessed, finishing off with a huge cumshot across Bianca's fabulous tatas.

After 10 hours of watching other people fuck, I needed to get out and burn off some energy, so Amy & Bianca took me to this hot dance club that they knew about on the strip. We immediately hit the dance floor and I was all over them grinding and kissing. I even snuck my fingers up under their mini skirts a few times to bring a taste of pussy back to my lips. Those two were super hot, and before I knew it my lipstick was all over their tits, my fingers were soaked with snatch juice, and my legs were sticking together from my flowing juices. I decided I had better get cleaned up a little bit, so I kissed each of them one more time with my fingers splitting their cunts, and then excused myself to go to the ladies room. I wound up getting a

little bit lost, but eventually I found the bathroom. I didn't pay much attention to anything around me, but as I was leaning over the sink I heard some strange noises coming from the stall next to me. Before too long, curiosity got the better of me, so I took a peek, and what do you think I found? I guess what they say can be true... geeks have rideable cocks - at least this one did! He was sitting there stroking himself to a copy of Gent magazine's Halloween issue, which was a super bonus for me because it's my favorite holiday! I guess I must have found my way into the wrong bathroom, but at that point I didn't care - this guy had a big dick, and I needed to get fucked! He looked shocked out of his mind when I leaned over and peeked into the stall to make my presence known - I am guessing he hasn't seen much action, if any, so he was primed to go!

He had a look of complete shock on his face as I grabbed him by the cock and pulled him towards me. He almost fell over when I drove my mouth down onto his throbbing member. While I was stroking his cock with my mouth, my hand instinctively went to my still soaked snatch. I felt the velvety lips between my fingers, and rubbed hard on my rock hard clit. His hard-on felt amazing in my mouth. After all the cock I had seen today, it was about time I got to taste one! His excitement was obvious, pre-cum was already oozing out the tip, and I swallowed it like the best treat ever! I stroked the tip with my mouth while massaging his member with my massive mammaries. I could tell he was just about to cum, but I wasn't ready for that, because I still needed my aching cunt filled, so I sat down on the sink and shoved his face down to my hot dripping box and put him to work. He lapped at my frustrated pussy, finally giving me the satisfaction that I needed after a hard day's work! It was Heaven as his tongue licked and lapped up all the juice that had collected around my lips and thighs. I shivered and quivered as he worked over my snatch and clit to the point where I couldn't take it anymore. I just needed to be filled!

I stood up in my 4-inch heels, bent over and told him to take me.

He stared at me with a dumb look on his face until I said, "Fuck me, you dork! This is the reral thing, not a magazine, so get to it!"

With a big grin on his face he jammed his rock-hard cock up my twat! With one smooth stroke he was buried deep in my box, and I was crying out in complete ecstasy! I was all about getting off at that point, and I didn't care who heard me scream. Hell, I was even hoping a couple more guys would walk through that door!

The music was loud and pumping, and he was thrusting in time to the beat. I was doubled over and grabbing my ankles while my pussy was being pounded, but that just wasn't enough! I had cum several times already, and needed to ride this big geek of a guy. I reluctantly pulled off his cock, giving up the full feeling I was enjoying so much. I turned around and jumped up on him so fast he didn't know what hit him. I had my arms wrapped around his neck and sunk right down onto his huge stiff sausage, easily stabbing into my slippery snatch. I bounced myself up and down to the beat of the music as coming time after time. I slid down his legs to the floor and pulled him on top of me. Again his throbbing meat found it's mark and filled me totally.

I screamed myself through a few more cums before pushing him off me to stand in front of me. I took his cock between my tits and sucked the head into my mouth as it peeked out of my big natural boobs. That served to put him over the top, and he blew his load all over my heaving chest and face! As the cream dripped from the various parts of my covered body, I noticed 3 more guys standing at the door! My new dorky fuck-toy followed my eyes and saw his friends standing there staring at us! With his pants still at his ankles he looked up and sheepishly said "Hi guys". They broke out in cheers - evidently this dork was a virgin and they had brought him out to try to get him laid! Well what can I say, Mission Accomplished!

Keep on cumming!

OFF MY CHEST

Editor's Notes

Finally! Summer's here. It's time for fucking in the streets!

Gent has turned a new page. This is the final issue of our first 50 years. And from here on out it's going to be "balls to the wall" big-tit fucking and sucking. As always, we will be featuring the hottest in huge-hootered honeys, but there will be much more "balls to the forehead" and "balls slapping asses". Gent will be the dirtiest, smuttiest big-boob fuck-fest on the newsstand.

As I'm sure you noticed, our sexy covergirl Donna Doll is in the midst of a good fucking. It only gets juicier in her layout. And I can assure you all first hand that she's not faking one little drop of passion. Once she got going, I couldn't shoot fast enough to keep up.

We open the fuck festivities with new-cummer Jade in the rapture of extreme passion. She was a delight to have in the studio. You gotta love a girl who just hangs in the corner getting fucked by not one, but two guys while I'm setting up the lights. (It was quite a weekend at the studio, but that's another story.)

Vida and Kerra are a couple of newbies who seemed like a nice fit for a little girl/girl tittie play. They both sport a great pairs of natural yabos., and neither one of them have any type of aversion to licking pussy or anything sexual, for that matter. While we're on the subject of girls with big cans licking girls with big cans, we don't want to forget huge natural Claire and slim and stacked Tori Tyler. Both these girls have graced the pages of Gent before, but never in this sort of juicy situation.

Now, while I love to see these babes getting their pussies worked over, I still have no problem spanking it to a solo beautiful big-bust girl. Hey, usually I'm holding a camera and it's real hard to focus with one hand slapping the salami! So anyway, we've got Marni all greased up, hot and sweaty. This is what you call "Chained Heat." The ebony Goddess Dalis has a pair of the most incredible natural breasts.

We round out the solo gals with Destiny Summers, another new-cummer, Isabelle and Gent Classic Marsha Melons. Then it's right back to the boob-sluts. Violet brings her horny brand of fucksticuffs from Europe where she is currently burning down any and all cocks she cums across.

We wind up this issue with our January 2006 covergirl Stephanie Stalls and her huge natural hooters getting plowed. This lucky boy didn't even know what hit him as she rode him like a broncobuster.

Now if that's not enough to get you off, we have Gent's own "slut about town" Amber FoXX getting together with a nerdy stud she met in a public bathroom. Amber feels that it's her responsibility to see that every cock in the world gets to pummel her ever-welcoming pussy. More fucking. In Back Stage Pass we go behind the scenes to the making of I Love My Tits: Sara Jay. Sara has some of the biggest tits on the scene these days and she sure does love them The first few minutes of the vid she tells what she likes to do/have done to them and then when a stunt-cock miraculously appears, she shows us. She is quite a fire-cracker fuck.

More pussy sucking. In Breast Of Times, Rhiannon gives a little insight into the darker side of the sex industry. There are people out there who live to serve, live to please. Rhiannon lets you in on what it took for her girl to get into her pussy.

Hey... it's all about the boobs...as long as they're getting fucked!

Editor

TALE OF TWO TITTIES...

Dear Editor,

My girlfriend has great tits. They are natural DDD's. I'm 24 and she's 18. I discovered my Dad's stash of boob magazines when I was about 12 and I think that set the path for me. I don't date any girls who aren't sporting huge racks.

I saw Dana walking down the street in my town and would not allow myself to not meet her. I actually told her exactly that and 15 minutes later we were sitting in a bar talking like we'd known each other for years. I really enjoyed talking to her, but I couldn't keep my eyes from falling to her incredible chest. She couldn't help but notice and instead of being pissed off, she took my hands and placed them right on her tits. Luckily, we were in a booth in the back of the bar, so nobody could see what we were doing.

While fondling her wonderful boobs, I leaned forward and kissed her. She was very receptive as she sucked my tongue deeply into her mouth. My hands slipped up under her shirt where I could get a good grip on her tits. My head swooned as all the blood quickly rushed to my prick. While we swapped spit intensely, my hands covered every inch of her chest. Her hands fell to my pants and squeezed the bulge that was trying to escape. She pulled away from kissing me and looked right into my eyes. I could feel my zipper being yanked down and her hand slipped inside to wrap around my throbbing cock.

While she massaged my meat, I rolled her shirt up to set her puppies free and dove right in. I buried my face in her cleavage and inhaled her wonderful scent. I moved my head back and forth, totally in Heaven.

She pushed me back onto the bench seat and fell to the floor, under the table. She pulled my cock out and swallowed it. I was nervous about getting caught, but at that point, I was ready to go to jail for this chick. My dick was pulsing as she moved her head up and down, applying a good amount of suction. She was obviously trying to suck the cum up out of my balls. Who was I to object? I took her head in my hands and pushed her down until her lips grazed my balls on each down-stroke.

She was obsessed and I was getting close. Before I got past the point of no return I sat up and pushed her back. As I lifted her skirt I was pleased to find that she had already removed her panties. I rolled over on top of her and my cock easily found it's mark Her pussy felt like silk as I pushed my full length all the way in.

As her lips stretched around my burning shaft she let out a soft moan. I started rocking back and forth, pulling out and then driving all the way back in. We quickly developed a smooth rhythm, while still trying to maintain our quiet.

It wasn't long before she bit down on my shoulder as an orgasm swept through her body.

GIANNA GENT JULY 2006

Her hips were driving up into mine with a great intensity. I held her tightly to muffle her cries, while at the same time trying to hold off until she finished herself. It was she who pushed me off an dropped back onto the floor. As I sat upright, she wrapped her huge cans around my begging shaft and stroked up and down. Each time my cock popped out of the cleavage, she'd slap it with her tongue. It didn't long before I could feel the cream churning and begin its assent.

As she kept it up the juice spurted out, the first volley shooting directly into her mouth. The next few shots filled her titty valley and made it nice and slippery. After I was empty I fell back into the corner. She climbed up off the floor and sat down net to me. She scooped up the remaining cleavage cream with a spoon and stirred it into her cold coffee.

Dana pulled her shirt down just as the waitress came by. Dana asked her for a little more coffee, since hers had gotten kind of cold. It's been about 4 months now and I am still spending a good deal of time buried between her beautiful boobs.

Whoa Andy... I think I was in the booth next to you guys. I kept finding curly hairs in my pasta! ***Fury***

In Memoriam

Dear Gent,

I am a long time reader of Gent, going back into the '90's. I lived through the glory days of implants. It was a wonderful time for the boob lover. Although I love all tits, both natural and fake, there seem to be fewer of the fake girls around today. I realize that everything goes in cycles, including breasts, but is there another reason why no new girls are coming out with the huge fake tits?

Curious,
Brad Melvin Skokie, IL

Well Brad, that poses a very interesting question, of which I have an answer. The situation is 3-fold. The root of the problem is that the FDA has put all kinds of restrictions on who should wear implants and how big they should be. (See Gent September 2005 for the full story.) Because of that, and a few other things, no US manufacturer is making anything over a 1000cc implant. The third thing is that because of the inherent problems involved with surgery of the larger sized implants, there are only a couple doctors left that will perform the procedure.

Unfortunately, for now, as girls like Rhiannon, Alena Snow and Savanna Synn retire; new girls are not replacing them.

Let's all bow our heads for 2 minutes of silence. ***Fury***

Dear Gent,

For years, Gent was my bible for all things tit. It got to the point, where it was very stagnant. I bought my last issue back in 2003. Recently, while perusing my favorite adult magazine shop, I was drawn to your June cover with Harley Raine. Unfortunately, the issue was bagged, so I couldn't see beyond the cover. I contemplated where I wanted to put my $9 and then decided to take a chance.

From the moment I opened to the first page I knew that this wasn't the same old Gent. These girls are actually pretty. By the time I stopped purchasing, the models looked as if they were shot with a Kodak Instamatic. That no longer appears to be the case.

The entire package is classy, even if the model is having sex. In fact, I'd love to have sex with any one of them, and that wasn't always the case.

To sum up, I'm happy that the ship has been righted and I'll be sending in my subscription tomorrow.

Sincerely,
Daniel Leal, Baltimore, MD

Hey Dan, thanks for the high praise. My primary goal after taking the reins was to improve both the models and the photography. Good to have you back. ***Fury***

It had been a typical night out at a club, with horny college girls and immature frat boys –until I saw her. She seemed to glide across the crowded dance floor up to the bar. My pussy reacted immediately as she sat next to me. I glanced into her deep green eyes, then shyly turning away. I felt her slender fingers slide up the inside of my thigh as she whispered in my ear, "Meet me in the bathroom." I stared at her, dumbfounded. My nipples stiffened, as she turned from the bar and walked away. I felt like I was in a trance as I stood and followed her, my eyes drinking in her huge tits, beautiful ass, and flowing blonde hair.

The bathroom was full of girls. At first I couldn't find her, until I felt a hand take my arm and pull me into an empty stall. She raised my tight miniskirt to my waist, and slid her hand into my soaked black thong. I shuddered as her fingers teased my pussy. With her other hand she pulled down the straps on my tank top, eagerly taking a nipple into her hot mouth. She took her time, lightly nibbling, and flicking her tongue across the erect nubbin. There was a direct connection between my nipple and my cunt.

She knelt in front of me and she easily pulled down my thong with her teeth, pulling it over my shoes. She smiled up at me with a mischievous grin as she thrust two fingers into my aching cunt. My knees nearly buckled as she scissored them around inside my gooey slit. Just as the pressure was beginning to build, she pulled them out and slid them deep into her mouth, sucking off my sweet juices.

I whimpered like a baby, begging her to slide them back into my cunt. Instead, she placed her luscious lips on my clit, and flicked it with the tip of her tongue. I shuddered uncontrollably as she slipped both fingers back into my dripping twat. She reached up with her freehand, firmly pinching my nipples, as her face stay buried in my snatch. She worked her fingers faster, as my body moved in sync with hers. I couldn't contain myself any longer, as I felt bolts of passion surge through my body. Before I could scream out, she stuffed my thong into my open mouth.

My body was thrashing against the wall of the stall as I came again and again. She wouldn't let up until I collapsed onto the dirty floor. As she stood, she looked down at me with a smile. Before I could say a word, she blew me a kiss and slipped from our tiny love nest.

Guys are here to service my needs. And what I need is cock. I'm not interested in romance, drama or in-laws. I just want to get a good fucking and then send the guy that's attached to the cock away.

A year ago, I was just some groupie slut. I would fuck any guy I wanted, any time. Looking like I do, it was pretty easy to get whomever I set my sights on. At that time, I had a guy that I used to fuck regularly. We were nothing more than "fuck-buddies". He was a musician so he wasn't looking for any more then I was, plus he was a great fuck.

Anyway, so in a momentary laps of reason I married this other guy. The guy I married turned out to be

a total loser and a lousy fuck to boot. The marriage lasted about 9 months before I threw his useless ass out.

After I got married, Johnny Rockstar and I lost touch, but I figured that wouldn't be a problem. I made the call and in 20 minutes my doorbell was ringing. I briefly told him the story and summed it up with, "I just need a good fucking!"

We got right to it. I sucked his dick until it was straining. He licked me through a couple cums and then he flipped me over into "our position".

It's where I lie on my side and stick one leg straight up in the air to rest on his shoulder. He straddles the leg that is on the bed and moves in to slide into my cunt

sideways. Now it's getting good. I had forgotten just how fucking good fucking can be.

He wraps his arms around my leg and slams his cock all the way up my pussy. I can feel his balls sliding back and forth on my leg, but his cock is what's doing the trick here.

I have so much pent up passion that I start to cum after about 10 hard, strong, delicious strokes.

I'm bouncing all over the bed. His sweat is falling down on me and he just keeps pounding my cunt relentlessly through one orgasm after another. Finally when I have been reduced to a quivering mass of fuck-toy, he pulls his cock out and wraps a fist around it. Two strokes, and its spitting creamy goodness all over me, from my face down to my stomach.

I scoop up every drop and suck it into my mouth. I love the feel as it slides down my throat. I love the sweet taste too.

With that I thank him for stopping by and tell him that I have some errands to run. He leans over, plants a kiss on my cheek, gets dressed and closes the door on his way out.

That's how I like my men: strong, hard and leaving.

My boyfriend had passed out from drinking too much, which was a guarantee I wouldn't be getting fucked tonight. As I had done so many times before under these circumstances, I reached to the bottom drawer of my nightstand. Mr. 12-inch was ready, willing and oh so able. Although I knew he wouldn't wake up, I worked quietly.

I started slowly, dripping a few drops of lube onto my lonely clit. I gently ran a finger tip across the bud and easily slid into my cunt. While I gently stroked my finger in and out of my sex, I brought the toy to my mouth.

I sucked it in and ran my tongue around the firm head. Once it was lubed with my saliva, I pulled it free and placed it between my huge tits. While it was sandwiched between my soft pillows, I pulled one up to my mouth and lightly bit down on the erect nipple.

My pussy was wet and open, ready to be speared with the huge rod. I rolled onto my side with my back to "Sleeping Beauty" and pulled my leg up to fully expose my wanton cunt.

I inserted the cock inside my pussy halfway and felt it stretch my lips tightly around the thick shaft. My other hand massaged my swollen clit as I pushed my midnight lover deeper into my gaping hole. I felt my boyfriend stir next to me, but there was no way that I could stop, even if I had wanted to. Electricity surged through my body as I fucked myself with my dependable stunt-cock. Waves of orgasm slapped at my body as I thrashed about on the damp sheets. I began to moan softly at first until I let out a scream of ecstatic delight and limply collapsed onto my back.

I pulled Mr. 12-inch free and dropped him into the drawer where he would patiently wait for the next time that my boyfriend drinks too much.

SEX SECRET REVEALED!

HOLY SHIT!
3 Times in One Night?!

"His cock was so completely HARD & BIG. And his staying power was INSANE."

SECRET "Sex Serum" Exposed!

Are you the type of guy that women brag about - THAT "One Guy", the one that "rocked her world"? Now be honest, is that guy you? If not, I may have the secret answer that's been apparently keeping the "industry" guys at the top of their game for years. Check out this letter I received (from a chick none the less).

To the Editor: I don't usually write into magazines (especially mags like this), but after uncovering this amazing secret, I just had to blow the whistle on this stud. I know every girl says this, but I've only been with a handful (ok, maybe two handfuls) of guys sexually. And to be honest, a one night stand is a pretty rare occasion for me. But after partying with this guy for a couple of hours and grinding up against him I just had to get a glimpse at what this guy was packing.

Well, after heading back to his place, let's just say it got a little crazy. He made all the right moves and the sex that followed may have actually destroyed it for every other man! His cock was so completely hard and BIG. And his staying power was insane. Holy shit! I must have had 5 or 6 orgasms after being ravaged 3 times in one night. Now I've been with a couple of guys that performed well in the past. I know one of them was using Viagra, and the other a topical called Maxoderm (which also works pretty well). But hands down this guy was the "champ", I mean he performed sexually like a pro! So between the size of this guy's unit and the fact that he pounded me for nearly 4 hours, I just had to ask what this super stud was using to rock my world.

Well, after bribing him with some return "favors" he finally fessed up. Surprisingly enough, it was also a topical (like Maxoderm, but better). He referred to it as his "secret sexual serum", better known as **PROMAGNUS**. And, get this, my super stud also owned up to being an adult film star!! He claims that he'd never be able to perform at his job without the help of **PROMAGNUS** and that it maximized size while helping him to "recover" faster and do it more often (I'll say!). He even said that ALL male stars he knew in the industry use it – "What do you think, we have the super human ability to fuck like that naturally?"

So next time you think that these "super" studs are plugging away on screen with little or no help THINK AGAIN! They obviously need help like everyone else. So now the secret is out of the bag! I recommend **PROMAGNUS** to any man looking to perform like a porn star. I know that I'll never let any man that I'm with have sex without it again .

The first time I saw my roommate's boyfriend, I knew that I would have him. I didn't want a boyfriend; I just wanted to fuck this guy. I got my opportunity sooner then I thought, when he came by the apartment to pick up a jacket that he had left there. When I opened the door he tried to look at my face, but his eyes kept dropping to my too-tight tank top and fleshy cleavage –I knew I had him.

I wasted no time pulling him inside and slamming the door behind him.

I had watched him fuck my roommate many times while I hid in her closet. It was when I was between boyfriends and it was much better than watching porn. It was my own private peep show. Only, when I saw his huge thick cock, I knew that I had to have it.

I dropped to my knees, and quickly unzipped his blue jeans. He pretended to protest at first, but I knew as soon as I pulled out my DD's, he was mine. I licked my lips eagerly, as his already hard monster popped up into my face. I wrapped my fist around the pulsing shaft and brought the head to my lips. I sucked the bulbous head into my mouth and stuck my tongue into his pee-hole.

I tightened the grip and sucked more meat into my mouth. I stroked his shaft

firmly while following each stroke with my mouth. He closed his eyes as my lips and hand fell into synch. I applied more pressure to my stroking, and sucked a little harder on his meat stick. He began to groan loudly, as my big tits massaged his legs.

After a few minutes of my oral and manual pleasure I pulled free of his cock. While his huge dick stood out like a battering ram I leaned forward and let some spit drip from my mouth into my full cleavage.

I than took a breast in each hand, moved in and wrapped them around his shaft. It slid easily up and down through the soft valley until his seed began to spew from the tip. Rope after rope filled erupted into my face and dripped back into the tit valley until he was totally spent and fell back against the door.

I scooped up his cream with my fingers and licked them clean. While looking into his eyes, I picked up each tit and sucked every drop of his seed into my mouth, savoring the sweet creamy goodness before swallowing it down.

He seems to be forgetting a lot of things at our apartment lately.

THE LOVE OF WOMEN

There are many extraordinary "perks" that come along with being a Dominatrix. As I am certain that most of you must already know that my roots lie in fetish, I would like to allow you the opportunity to delve into what being a lifestyle Domme truly means. My exploration and journey of domination began as an alternative to stripping. Actually I maintained both rather contradictory personas for several years while honing my fetish skills and craft. Due to the not so desirable evolution of the strip industry, I felt the need to reinvent myself. I had grown tired of having to smile at the predominantly male audience and perform like a circus animal when the financial gratification dwindled. Stripping at one point was an incredibly lucrative profession. As a dancer, we were very well paid, appreciated by both the club management as well as the patrons. Then suddenly the clubs decided it was time to change the rules. Instead of having a select number of well-polished pristine dancers that respected the art of entertainment, the clubs decided to sacrifice quality for quantity. The club owner's perspective was very simple: more dancers per shift would attract more customers; thus, equating to more money for the house. And then to add insult to injury, the owners suspended our pay and implemented a daily house fee to be paid by all dancers during their scheduled shifts. At this juncture it became total mayhem. Naturally, it was in the best interest of the club to overbook the number of dancers per shift to increase the amount of guaranteed revenue for the house. The dancers were no longer a respected, appreciated commodity but rather a disposable assembly-line production. Now confronted with this newly adopted assault, I decided it was time to regain my dignity and control. I was ready since I had been cultivating my Mistress proficiency during the "strip-world" metamorphosis. My domination adventures are varied, complex, and extensive. Since these practices may not be acknowledged, comprehended or even appreciated by a mainstream audience, I have decided to focus on a universal camaraderie. "The love of women." Through my years as a Dominatrix I have entertained many unique relationships on the Dom/sub level. My most outstanding experiences; however, have been with the female subs. Pamela was my pet for many years. She would do ANYTHING for me. She truly gravitated towards the female gender and made me fully aware of her distaste for the male population. Armed with this insight, I used it to my full advantage. When Pamela was in need of discipline, I would have her service my male submissives. I knew how much she despised this, which merely served to totally turn me on. Needless to say, the males were not at all disturbed by "assisting" me with Pamela's training. I reminded her she could not have me until she displayed the proper demeanor necessary to serve me. Under my command she would provide endless counts of sexual deeds to her fellow stable members. Pamela was a beautiful slender woman with ample breasts. All the other submissives adored her. They all knew she was my favorite. She was a strong, accomplished, aggressive CEO of a major manufacturing company. Yet with me, she was as meek as a pussycat. On occasion, I too require entertainment and that is when Pamela cringed. I loved controlling her. I would bring in one of my male subs and instruct her on exactly what I wanted her to do. She would give me those doe eyes

21368

hoping I would reconsider, but that never happened. I would have her dress in her tightest most revealing clothing and get herself all "prettied-up" for the boy-toy. As she sat at my heels, I would command the male sub to remove her clothes, and then she would return the gesture. I would have her lay him down, placing his hands under his back while she sucked his cock. Slowly she would coil her tongue around his hard stick, lapping at the pre-jism that dribbled from the tip of his cock head. I had her fuck him with her mouth until he was ready to explode. At this point I would command her to mount his face in a 69 position so he could smell her cunt. "I want you to blow warm breathes on her meaty pussy," I would say. Since she claimed to be a lesbian, I would test her confirmation by sticking my finger in her slit. If it was wet from merely giving head, a punishment was necessary and implemented. Cock-sucking was a great way to enforce the rules. I would have a line-up of cock for her. She would suck each one. This would last for hours until her jaw ached, which only confirmed to her how much she hated sucking man-meat. Her mouth was so parched from the constant licking and lapping that she welcomed the loads exploding down her dehydrated throat. I would only allow her a cum diet for the next 24 hours. I would make her titty-fuck the boys to get her drink. She was hoping to get a drop of moisture that spilled out of their pink heads by sticking her tongue out each time their dicks slammed her in the face. Again, she was grateful once their aching cocks exploded. She was covered in white cream from her face to her tits. She scooped up the juices and sucked them into her parched throat. Once she satiated my appetite for amusement, I would reward her with what she really desired, my pussy. As a special treat, I'd let her give me a full body massage and then allow her to orally please me. She'd begin by gently caressing my body with her delicate hands. She always paid special attention to my enormous breasts. She suckled on my nipples until they were erect. While lying on top of me she'd grind her soft womanly body against mine. I could feel our juices begin to flow and lubricate our rhythmic passion. I would push her down to get to the "meat" of it all. The tender antics are real nice, but I hate to be teased. As she lapped at my snatch, I'd press her head harder on my clit. Using her hair as reins I could guide her the whole way through. Teaching her the pace and pressure I required at any given time. I loved having my personal sex slave. Her tongue was always wet for me. As she licked away at my soaked slit with her head buried between my thighs, I was guaranteed an amazing explosion. She definitely knew her way around my cunt. Pamela used a suction technique that wouldn't quit. I could feel the pressure building as I anticipated the orgasmic wave of pussy pleasure. As I felt my body begin to shake and quiver Pamela kicked her tongue into overdrive. Lapping away like a machine, my pussy exploded. I squirted an endless spray of juice all over her hungry face. After cleaning my creamy cooze with her mouth, she curled at the bottom of my bed to go to sleep. I'd kick her off the bed and tell her, "I will let you know when I am ready for round two." She'd respond, "Yes Mistress, I will be waiting."

Whips and Kisses,

DONNA DOLL **34DD-24-34**

Height: 5'9" Weight: 112lbs Birthday: July 11

Donna was born in Brazil to Italian parents. She was good in school and graduated college with a degree in Law. She couldn't find a job there, so she jumped on a plane to Miami with 3 boxes of her belongings and $120. Through a short chain of events Donna ended up at a strip club. It seems she was destined for adult entertainment stardom.

After a couple years of house dancing, she decided to take her show on the road. Again, she excelled at feature dancing, winning all sorts of awards including *"Miss Nude World Hottest Body 2004"*.

The next logical step for a girl like Donna was the LA porn scene. She had met many pornstars on the road. She finally made her fist trip to LA, got herself an agent and was off and running. Donna says, "At first I was a little timid to fuck on camera? It was kind of weird with all those people around watching me. But I love sex, so I thought that if I could get up and dance naked, than I'd be able to do this too." As you can see by these pictures, she is very comfortable with a cock, whether in front of a camera or not. To see when Donna will be coming to your area please go to XXXDonnaDoll.com.

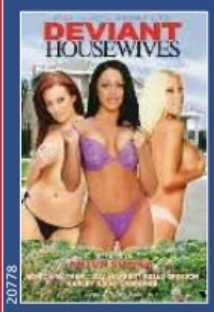
DEVIANT HOUSEWIVES

STARRING: Harley Raine, Monica Mayhem, Liza Harper, Kelly Erickson, Cherokee

DIRECTED BY: Anton Slayer RUNNING TIME: 120 Minutes
AVAILABLE FROM: Cal Vista

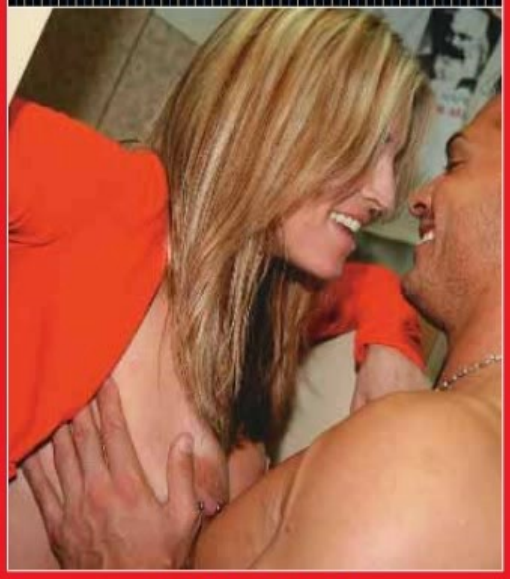
DDD-CUP: Smokin' Hot DD-CUP: Serves your cock well
D-CUP: Don't even bother

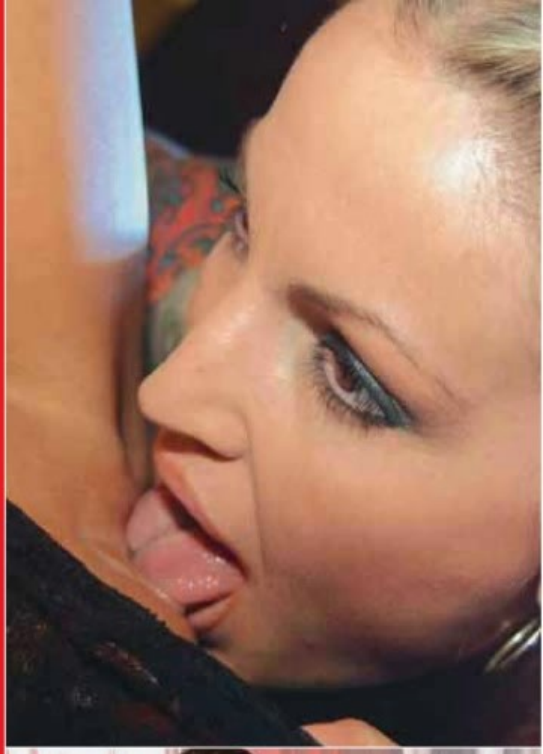
The voice over mentions that she wasn't born into money, she married it. The VO stayed true to her husband for 7 years, then she divorced him for his cash, cars and home. Now she and her horny girlfriends suck and fuck everything they can. Whores. The movie jumps right into the first scene with our deviant housewives. Monica Mayhem with her super dark hair seduces poolman Van Damage. Van pulls off her string bikini and sucks on her jugs. She delivers a sloppy no hands blowjob and slobbers his nutsack as well. He starts fucking her in a reverse cowgirl with some excellent camerawork capturing all the sweaty action. The dirty two-some continue to heatedly bang each other in a few varied positions. Liza has him suck on her beautiful tits while he removes her remaining clothes. Stone dips his tongue into her slit and she grinds his face in ecstasy. Liza uses her considerable oral tlanets to wrestle Stone's dick down her throat.



20778

Stone always gets an energetic fuck out of his partners and Liza steps up to the plate here. Liza's legs spread as wide as they can as Stone runs her through a few positions to drill his dick into her. Lee can't hold off his orgasm any longer and unloads a big facial onto her open mouth. The three-way between Kelly Erickson, Harley Raine and Alex Sanders is way fucking hot. Lots of lesbian licking followed by more lesbian licking. All of this is sandwiched by some truly hardcore fucking courtesy of Alex Sanders. No body part goes unlicked or unloved here as the trio goes absolutely nuts on each other. Alex brings things to a close by stroking off on to their tits. Cherokee earns her deviant status with Mark Davis on a sofa. Her sexy dress is shed as the passion gets turned up minute by minute. Davis takes his time with the olive-skinned beauty. Cherokee brings a lot of spit to the scene and uses it to lube him up for some quality screwing. Cherokee keeps rubbing her clit while Mark drills her twat over and over again. Mark pulls out of her cunt and strokes off on her face and open mouth. Kelly gets a fat facial that she happily collects in her mouth to swallow down. - Lester Moore - DDD-CUP: Smokin' Hot





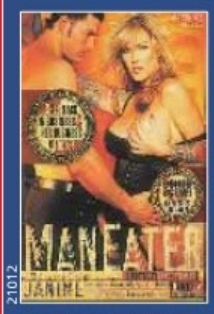
MANEATER

STARRING: Janine, Sunrise Adams, Angelica Sin, Domino, Olivia O Lovely, Mia Beck, Nick Manning

DIRECTED BY: Paul Thomas RUNNING TIME: 120 Minutes
AVAILABLE FROM: Vivid Entertainment

DDD-CUP: Smokin' Hot DD-CUP: Serves your cock well
D-CUP: Don't even bother

Not since the Allies marched back into Paris has their been a return quite this triumphal. Janine shows us that she has missed us, and missed us hard. I normally don't care for "interview" scenes with pornstars, because all they usually talk about is what's their favorite position, whether they REALLY like anal, blah blah. But Janine has something to say, and something to prove. She tells us all about her return to the biz, and why she's actually doing guys this time. Don't worry, she doesn't ignore the gals! She opens with a truly energetic scene with Nick Manning. She really projects her excitement, and it looks like she is actually discovering why she loves making porn all over again. At first, I thought, the setting was all wrong. She is fucking this guy in a public bathroom. At first on the sink, then down to the linoleum tiles. Well, it works out just fine, and later, the two find a futon. She is so into the sex, she hardly notices the camera, or where she is.



21012

When her stud is pounding her doggie style, from the look on her face, she thinks she's on satin sheets. The two of them try everything, and it ends with a nice shot right to her chest. The rest of the movie just serves as further proof that Vivid knows exactly how to make pornography. Not one anal sex scene, no ruthless facefucking, and yet they still manage to keep you horny and engaged throughout. There are a couple of well done scenes before Janine gets back on the screen with Angelica Sin and a guy. This is truly top flight smut. She has an unexpected orgasm that brakes the action, but also serves to further heighten the sexual tension as an example of how important this return is to her, and to all of us. She is a gift for us, one less skank will work because this beauty is fucking on camera. She finishes the DVD by dominating a ball-gagged Sunrise Adams, with hertongue and a strap-on. She certainly has her grove back here. No giggling, just a consummate pro pleasuring a pretty sub. And giving us all raging hardons. Here's to you, Vivid, and to you Janine. Thank you so much for coming back. - Winston Smith - DDD-CUP: Smokin' Hot

TEEN POWER #15

STARRING: Angelica Sin, Xena Star, Kayla Cam, Tara, Devin Skie

DIRECTED BY: Steve Drake RUNNING TIME: 120 Minutes
AVAILABLE FROM: Big Top Digital

DDD-CUP: Smokin' Hot DD-CUP: Serves your cock well
D-CUP: Don't even bother

Lindsay is a new starlet on the scene. From what she has shown in her few releases this 18-year-old natural born fucker can go very far in the business. Her revealing sexy outfit is more than enough to get woodsman Rick Patrick ready for some screwing. From her bare feet to her juicy jugs this all-natural sweetheart is 100% hot! Rick eats her pussy after some quality tit licking and toe sucking. All of her skimpy clothes come off so she can go deep on his thick tool. Lindsay rides his cock in a cowgirl before rolling over for some pounding missionary style fucking. Rick keeps tagging her pussy from behind until he pulls out and blows a load into her open mouth. Lee Stone has the honor of plowing Brianna in the second scene. The sexy farmgirl has no shoes on and does the sexiest strip tease I've seen in a while. Brianna does herself with some fingers before allowing Stone to suck on her tits and well-moistened pussy. The heat is very real here with Stone doing his best not to pop early inside the 18-year-old's tight pussy. Instead of a facial Brianna's incredible butt is sprayed with cum to end the action. Brandy uses her feet and big titties to capture the attention of Van Damage. Brandy sucks his cock then places it between her tits for some intense tit fucking. Flopping on to her back Brandy wraps her cute feet around his hog and jerks him off for a while. Brandy's tiny nipples get suckled as Van fucks her cunt a bunch of different ways. When Van reaches his point of no return he aims his cock at her big boobs and fires missile after missile of cum all over them. Asian hottie Arcadia does Steven St. Croix after a game of billiards. Steven licks her belly button and that makes the Asian sexpot quiver all over. St. Croix jams his tongue in any of the hot Asian's chick's holes he can. He eats her tiny pussy then slams his tongue up her ass for some backdoor pipe cleaning. Arcadia contorts herself to swallow his cock as he thrusts it down her throat. The action heats up when his cock enters her slit. Its cowgirl, reverse cowgirl, doggie and more before he has to bring the action to a close and pop a nut into her pretty face. - Gary Hakim - DDD-CUP: Smokin' Hot

I checked into the seedy hotel room, and waited for my guest to arrive. I had never done anything like this before, and couldn't believe I was actually going through with it. The sharp knock on the door jolted me back to reality. "Show time" I mumbled. I opened the door to find a statuesque woman, with clearly fake DD's. "You'll do just fine," I mumbled again. I stepped aside to let her pass into the room. Her body relaxed a little as she walked in.

Her eyes caressed me from head to toe, zooming in on my bulging natural tits. She knew what I wanted, so we didn't waste time with a lot of talk. She grabbed my top, rip-

ping it open, fully exposing my 40DDD's. She used them as handles to pull her mouth to mine. She roughly shoved her tongue down my throat, as I hungrily sucked on it.

She pushed me down on the bed, and took one of my breasts in each hand. She lowered her head to my swollen nipples and bit down on them firmly. The pain soon turned to pleasure as she alternated between them. I moaned uncontrollably, as she forcefully sucked, and nibbled on my huge tits.

Suddenly, she stood up, and removed her lacy panties, revealing a smooth clean cunt. She straddled my face and lowered her musky cunt down to my mouth. I had no room to move, no alternative but to thrust my tongue deep into her sloppy slit. She groaned, and ground her meaty pussy all over my face. I sucked her thick clit for a while and then moved my tongue down to skewer her tight asshole. She moaned loudly, as I tried my best to please her. All at once, I felt her body shiver, and I knew she was about to cum. I thrust my tongue deeper into her brown hole as she gyrated her clit on my face. Both her hands had a hold on my hair, pulling my face tightly into her cunt. She road my face like a bicycle seat, until she exploded in a glorious orgasm. My face was shiny from her cunt cream as she climbed off and got dressed. She pulled $100 from her purse and laid it on the dresser before walking out the door.

I LOVE MY TITS: SARA JAY

STARRING: SARA JAY DIRECTED BY: PHILLIP JEFFRIES TEXT: FRANCIS SAWYER
PHOTOS: EDDIE BAZAR AVAILABLE FROM: SWEETNEVILVIDEO.COM

BACK STAGE PASS

Sara Jay is one of the last of a dying breed. Unfortunately, the huge implant girls of the past are becoming extinct. She has charisma out of her big round ass and is just plain fun to have around. The one thing that makes her even more special is the fact that she truly loves cock. She loves it in her mouth. She loves it in her pussy. And she loves it in her ass.

The I Love My Tits line from Sweet N' Evil Digital features extremely busty models showing and telling the viewer what they love about their tits. Some vids are solo, some aren't. In this case, Sara gets some assistance from a big-dicked stunt-cock.

Sara begins by telling us how she loves to have her tits played with. She demonstrates by fondling, pinching and squeezing the mighty orbs. She then mentions that she loves nipple clamps. Miraculously, a pair appears from off camera, which she savagely applies to the pert nubs. When she removes them and the blood rushes back into the nipples she has a look of pure pain/pleasure on her face.

Sara had been shooting all day. Up to this point, she had shot two boy/girl and one boy/boy/girl layout. You'd think she'd get worn out from all that cock… but no, she was just getting warmed up.

Let me explain how XXX photo shoots go. While the talent is really fucking and sucking, they still have to "cheat" for the camera. To really see the action, they can't really go for it. So after a day like Sara has had, she's like a caged animal. A caged animal that needs a good fucking, that is.

With this type of vid, the director gives the models some basic instruction, that the camera needs to see the action and then just sets them loose.

When Johnny steps onto the set, Sara hits her knees pretty much immediately, pulls out his begging cock and slaps it between her huge cans. Every other stroke goes right into her mouth. Before you know it she's bent over a chair screaming as her pussy gets firmly slammed. Both models have been broken down to their basic animal instinct. By the look in their eyes, I don't think they are even aware that there's anyone else in the room. It's obvious that they certainly don't care. Johnny flips Sara around relentlessly like an inflatable fuck-toy. Sara is right there with him on the same page. Periodically, she bursts into extreme orgasm, but that only serves to spur her on to higher levels of passion.

Screams of "FUCK ME! and I LOVE YOUR BIG COCK!" literally echo through the studio. Stagehands who see this stuff every day actually stopped to watch the action. There was no acting going on with these two. They were digging each other to the max. After being hammered in a myriad of positions, Sara dropped to her knees and sucked Johnny's throbbing cock deeply into her mouth. She sucked and jerked with gusto before lying back on the chair and having Johnny straddle her torso. He slapped his meat between her wonderful tits, which she pushed together to make the ultimate sandwich. He fucked her boobs with the same passion he had her cunt until his rod spewed ropes of cum into her face and all through her deep cleavage. They both collapsed to the floor to the sound of whistles and applause.

I have a new found respect for Sara Jay. Any chick the loves dick like that, is OK in my book.

I was expecting my boyfriend when there was a knock on my door. I wondered why he was knocking, because he has a key. I threw the door open with my big tits flapping all over and was shocked to find a guy trying to sell me encyclopedias.

He quickly stepped in and slammed the door behind him. He immediately helped himself to my tits and started feasting on them. I love a little anonymous sex now and then, so I figured, "What the Hell?"

After he had his fill of my tits, he leaned me over the couch and sunk his tongue into my hot cunt. He put a hand on each of my cheeks and spread me wide to get his face in nice and deep. I shuddered each time he brushed his tongue against my clit. Just as I was getting close to cumming he stood up and pushed his big cock right up my hole.

Damn, it felt great! "Fuck me hard baby" I screamed! His cock was tearing me up and I was loving every throbbing inch.

Reluctantly, I pulled free of the monster and fell over to the couch. "I want to get close to that cock. Let me suck it for a while."

He sat down with his dick standing straight up. I sunk my mouth down on it, devouring it in one swallow. My mouth had never been stretched like this before. My jaw was aching, but I kept on sucking.

Finally he rolled over behind me and spooned into me. My cunt sucked him right in. While holding my knee up, he drove into me over and over until I pulled away and jumped on top of him to ride him to a creamy finish, while grinding my clit down on his groin. It didn't take long until I was totally delirious from the pounding. I lost count of how many times I came.

I figured my boyfriend would be home pretty soon, so I jumped off and swallowed him whole once again. He held my head in his hands and drove that salami deep into my throat. He fucked my face hard until his balls began to empty. The first shot went right down my throat, but for the rest, he pulled out and jerked his cream into my face and all over my big tits. As I was pushing him out the door, he slipped me his card. I think I may have to get another look at those encyclopedias.

I had walked past the X-Rated movie theater tons of times, but never thought once to go in alone. Feeling really wet and horny, with no other relief in sight, I decided to go in. The building was dark, but inviting as I made my way to the back row. The screen lit up instantly, with images of movie previews. Naked bodies, and thrashing movements illuminated the dark theater. It was all generic sexual positions, nothing exceptional. The movie started with opening images of a voluptuous woman riding a huge cock. As I watched her tits bounce up and down, her eyes burned into the camera.

I felt my pussy grow hot, as I closed my eyes, listening to her groans of pleasure. My chest heaved as I looked at the screen, enjoying her huge bouncing tits

flopping about on her chest. I crossed my legs tightly, feeling my wet pussy lips rub together. I wanted to reach inside my pants, and play with my juicy twat, but I wanted to hold out until I could barely stand it. The scene changed, and all of a sudden the screen slut was on her hands and knees. The man shoved his huge member into her pierced cunt, slamming in and out of her with no hesitation. I loved how aggressive he was, violently slapping her ass, and roughly pulling her hair. Without realizing it, my hands had trailed their way down from the armrest, to my pants. Unconsciously, I unbuttoned my loose slacks. Afraid of getting caught, I worked quickly, slipping my hand into my fleshy cunt, surprised to find it so wet. I spread my lips, instantly going for my hard clit. I kept my eyes glued on the fucking couple, as I fingered and rubbed my pussy. It didn't take long to feel an intense orgasm surge through me.

And hard as I tried to stifle my passion, at this point, I didn't really care who heard me, as I elicited a loud moan. Although it was very dark in the theater, I could see many heads turn and look in my direction.

I slowly pulled my hand free from my pants and sat back for a moment to catch my breath. I buttoned my pants, and quickly slipped out of the theater.

There was no need to watch the rest of the movie; I got what I came for…so to speak.

My man had been gone for an 18-month tour in Iraq. I missed him terribly, but one of the main things I missed was the good fucking he always gave me. There was no way that I was going to cheat while he was away, so I had to make due with various toys, but it barely did the trick to keep me from going postal from the sexual frustration. Three days ago he came home and I gave him 18 months worth of fucking.

As soon as he walked through the door, I threw my arms around him, told him how much I loved him and then dropped to my knees. I couldn't wait any longer to get his cock in my mouth. It tasted so good after so long. I savored every single inch of it as I sucked it to his balls. His pre-cum was oozing profusely into the back of my throat.

I lost myself in sucking his cock, until he picked me up and placed me onto the bed. He dove at my pussy as I had his cock and lapped up the flowing juices. He kept licking, kept me right on the edge, but wouldn't let me cum. I begged him to keep going, but he kept teasing me.

Finally, he stood up between my legs. His cock was standing at full attention. Before I could say anything, he dove on top of me and buried his AK-47 deep in my holster. That was all I needed after all these months. I immediately exploded into a huge orgasm that just kept going. He slammed into me with everything that he had stored up for the past year and a half.

He wasn't going to last long – of course, neither did I – so he climbed up to straddle my torso and stick his cock between my heaving breasts. I pushed them together and spit into the cleavage. His cock slipped in and out. Each time the head popped through the top, I sucked it into my mouth.

His cock-lather exploded from the tip of his dick and splashed onto my face. Rope after rope sprung out until my face and my tits were covered in icing.

His cock got soft for a minute, but once I sucked it back into my mouth, it again snapped to attention. We haven't left the bedroom for 3 days, making up for the past 18-months.
